

What to look for and how you can help

Does the person you are concerned about:

Get to take breaks?

Make eye contact?

Work excessive or unusual hours?

Seem anxious, depressed, or submissive?

Lack healthcare?

Seem free to come and go as they wish?

Control their own money and bank account?

Have adequate tools or safety gear?

Directly asking a possible victim if they are being trafficked may not be in their best interest. Instead, consider:

Calling My Sisters' Place at 914-683-1333 or 800-298-SAFE (7233)

Contacting the National Human Trafficking Hotline by texting "Help" to "BeFree" (233733)
